**I - Introduction**

On the third day of January of two thousand and twenty one, at 8h00, the jury nominated by the CCMAR board of Directors on 13/09/2021, met by videoconferenece, for the meeting 3 of the call Ref. CCMAR/BINCGAM/11/2021. The meeting was held for the award of a Research Fellowship for Person with a Master Degree (Bolsa de Investigação não conducente a grau académico para mestre) through the research project with reference 330785505, named as “BIOFISH-QoL – Integrative approach for enhance quality of live in fishing communities of the 'Bons Sinais' estuary (Mozambique).” funded by by Aga Khan, Network for Development and the Portuguese Foundation for Science and Technology, I.P.. The nominated jury was composed by Dr. Francisco Miguel de Sousa Leitão, project coordinator and researcher at CCMAR and at the Algarve University (president of the jury), Professor Maria Alexandra Anica Teodósio, Vice - Rector at Algarve University and researcher at CCMAR (Member); Dr. Marta Albo-Puig-Server, researcher at CCMAR and at the Algarve University (member), and had the following agenda items: decision about the final result following the end of the right of prior hearing of the candidates.

**II – CLAIMS**

After the comunication of the provisional results, on 15-12-2021 the selection committee has received an email from Rita Catalão in 22 dezembro 2021 at 5:43PM arguing that *it has complete the declaration of honor and thus that would be exempt (at least until obtaining it) from sending the certificate.*

**III – Conclusion**

No more claims were received.

The president of the selection committe has informed the applicant by email (on the 27-12-2021) that the reason for not being accepted was the lack of proof that support the declaration of honor, namely any document that proof that the request for the recognition has been made.

To that extent, the selection committee remains unanimous with the provisional decisions taken in minute 2. In accordance with the presented elements the candidate Andreia Ovelheiro meets the conditions for selection. For this reason the selection committee proposes to the CCMAR board of Directors the approval of this decision.
